

Havis Docking Solution for Getac A140 Rugged Tablet

DS-GTC-800 Series Getac A140 Rugged Tablet

The Havis Docking Station for the Getac A140 rugged tablet improves mobile worker productivity by providing a secure location for tablet charging and connection to essential peripherals, such as printers, keyboards and barcode scanners.

With the DS-GTC-800 Series Docking Stations, fleet managers can seamlessly integrate the Getac A140 rugged tablet into their workforce to enhance productivity without sacrificing quality, safety or longevity.

Getac

Specifications
